An opportunity for young children and toddlers to participate in Kids' Church. Children initially meet with the Seedlings group for a welcome, prayer and song, and then break into a smaller group for more age appropriate activities. Leaders will encourage and guide the children with the activities; however they're free to play with the toys available.

Parents are encouraged to stay with their children.

For young people in their middle years, this group has the opportunity to meet for outings, camps, community service, group games and of course thought-provoking group discussion about life's big questions! Participants have an opportunity to build on their bible knowledge and explore how to apply it in their everyday life. Food is aplenty and all are welcome!

Child & Youth Ministry Programs 2016

Family Registration, Medical and Consent form

Please register your child/ren for the relevant Child and Youth programs we will offer in 2016. This information is important for a number of reasons:

- ✓ We ascertain expected numbers for each program, and will be able to recruit and assign appropriate ratio numbers of leaders/helpers to young people.
- ✓ We are able to better minister to your child and your family if we have contact information, and permission to contact you.
- ✓ The medical and dietary information assists us when planning activities and outings, and provides us with emergency contacts if needed.
- ✓ We also obtain your permission to capture your child's image by photograph or on video.

Please register your child/ren if you *think they might be* involved in the following programs in 2016

This sheet gives details and a brief description about each Child, Youth and Young Adult ministry program available at St. Michael's.

**Please complete one form for your whole family.
Thanking you in advance!**
